World's Leading Manufacturing BtoB trade show

This exhibition is opportunity to promote your products to manufacturing industry.
It enables you to generate leads, secure new orders, and expand your sales channels.

Active BtoB Meetings

- Partnering Collaboration
- Price & Delivery Dates Arrangement
- New Technology Introduction

Consists of specialised 13 shows

Components / Manufacturing Technology

Mechanical Components & Technology Expo

- Metal / Resin Processing
- Mechanical Parts
- Bearings / Belts / Chains
- Gears / Motors
- Compressors / Fluid Power
- Fasteners / Mechanical Springs
- Tubes / Pipes

etc.

Industrial ODM/EMS Expo

- Development / Manufacturing ODM
- Contract Manufacturing / OEM
- EMS
- Assembly / Inspection Outsourcing
- Manufacturing Dispatch

etc.

Semiconductor Equipment Development Expo

- Mechanical / Structural Parts
- Processing Technology
- Material
- Fluid Control / Tube / Vacuum
- Electrical / Control Components
- Cleanroom / Measurement

etc.

Medical Device Development Expo

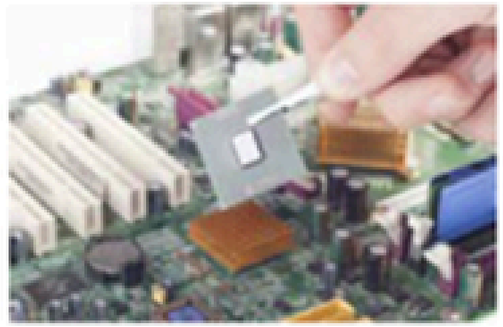

- Metal / Resin Processing
- Mechanical Parts
- Bearings / Belts / Chains
- Gears / Motors
- Compressors / Fluid Power
- Fasteners / Mechanical Springs
- Tubes / Pipes

etc.

Consists of specialised 13 shows

I T・D X

Design Manufacturing Solutions Expo

- CAD / CAM / CAE • PLM / PDM / BOM • ERP
- Production Management System • SCM
- Drawing / Document Management etc.

Manufacturing DX Expo

- Digital Platform • EDI / Electronic Contracts
- Procurement / Purchasing / Quality IT
- Accounting / HR / Education IT etc.

Manufacturing Cyber Security Expo

- Endpoint Protection • Network Protection
- IT Asset Management Products • Security Services
- Anti-Spoofing and Tampering Measures etc.

Equipment/Measuring

Factory Facilities & Equipment Expo

- Factory Facilities / Equipment
- Energy Saving Products • Factory Security
- Safety / Disaster Prevention Equipment etc.

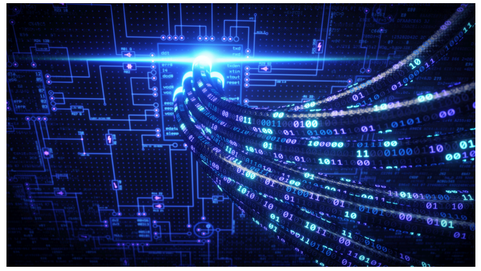

Measure/Test/Sensor Expo

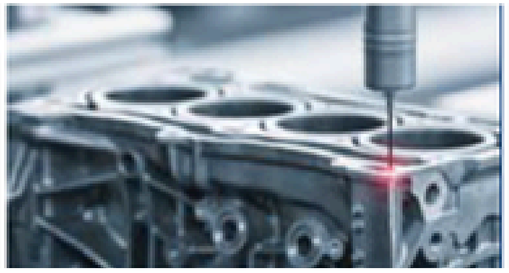

- Measuring / Testing Instrument • Sensors
- Analysis / Weighing Instrument
- Cameras / Industrial Microscopes etc.

Additive Manufacturing Expo

- Additive Manufacturing /3D Printers
- Metal / Resin / Ceramics Materials / Filaments
- 3D Printing Service Bureau etc.

New Launch

Consists of specialised 13 shows

Solution Oriented Exhibition

Manufacturing NEXT

Automation & Labor-Saving

- **Production Sites**
  Production Management Tools, Manufacturing Robots, Machinery and Component Technologies, Material Handling Equipment
- **Procurement and Storage**
  Inventory System, Ordering Platform, Purchasing System
- **Human Resource Strategies**
  Engineer Dispatch, Training Programs

Utilisation of AI

- Demand Forecasting
- Drawing Search
- Experimental Simulation
- Production Simulation
- Visual Inspection
- AI Agent
- Anomaly Detection
- Translation
- RPA / Chatbot

Reducing Workload in Design and Manufacturing

- **Reducing Design**
  Design Drawing Creation Systems, Data Management and Sharing Tools, Process Design and Management Systems, Analysis Tools
- **Reducing Machining**
  Machining Technologies, Parts and Materials, Machinery and Equipment

Equipment/Measuring

Physical AI Expo

AI Robotics

- Humanoid robots, collaborative/transport robots, assembly/processing robots
- Remote-controlled robots, service robots

Operations & Safety Management Support

- Communication/infrastructure
- Anomaly detection, data analytics

Development & Simulation Platforms

- Digital twins, control development environments
- Learning/verification tools, integrated testing platforms

Perception & Sensing Systems

- Image, distance, depth, force, environmental
- Vision AI devices

Drive & Manipulation Components

- Motors, actuators, joint units, grippers, hands
- Drive control units, power supply, transmission

Intelligent Recognition & Control AI

- Autonomous control AI, route optimization AI
