### RX Japan's Solemn Declaration of Non-Inflated Numbers

① **The reason for not inflating the visitor numbers**

Inflating visitor numbers is a misrepresentation of the exhibition's content, and a fraudulent act toward the exhibitors. Therefore, RX Japan will not commit such an act.

② **The visitor number counting method**

Every visitor is to submit one business card at the registration counter on-site, and will be counted as one visitor based on their business card no matter how many times he/she re-enters the show.

③ **Visitor numbers will be verified by an external party**

Once the exhibition is completed, all the business cards submitted at the visitor registration will be presented to a certified accountant, who will verify that they are the same number as the number of visitors announced by the organiser. Random checks will be conducted through phone calls made to the persons on the business cards to confirm that they had attended the exhibition.

④ **Written official announcement of the visitor count**

Immediately following the exhibition, the visitor number will be announced alongside the counting method, in written form.

① **On-site Registrants**
